

European Medical Innovation Days 2018

PRACTICAL GUIDE

Location: • Parc Científic de Barcelona, Baldiri Reixac 4-8,
08028 Barcelona **(October 22 and 23)**
• Site Visit TBC **(October 24)**

Dates: 22nd - 24th October

Hosted by Biocat, BioRegion of Catalonia.

European Medical Innovation Days is an initiative from Biocat to connect health technology Innovators with catalan ecosystem and environment. To that end, different activities will be performed, healthcare system and reimbursement lectures, ecosystem opportunities workshops, experienced start-ups showcase, pitching sessions and networking Events.

Due to the the wide variety of sessions which will take place through EMID 2018, International innovators are required **prior registration before Friday 12th October 14h (CET)**.

International innovators will be able to register through [this Xing™ link](#), where International Innovators will be able to share their brief pitch and participate

Please, find below the practical guide we have prepared with some relevant information and recommendations for your visit, especially useful for those coming from abroad or first timers in the city.

AT YOUR ARRIVAL

Some options to reach the **city centre/event area** from the **airport** are:

- **Metro:** Line L9 Sud connects both terminals of the Airport with the underground network. To reach the city center, you must change of line and take L1, L5 or L3.

Stops: [see map](#)

Price: 4,60€ single ticket

[More info](#)

- **Train:** There is a train station located in Terminal 2. There are trains from Airport to Barcelona city every 30 minutes (6-23h). **Stops:** Sants, Passeig de Gràcia (city centre) - [see schedule](#).

Price: 4,10€ single ticket, you can also use 1-zone T10 card

[More info](#)

- **Bus:** Aerobus is the fastest way to reach the city centre with public transport. Buses every 5-10 minutes.

Stops: Plaça de Catalunya, Sepúlveda-Urgell, Plaça d'Espanya and airport T1 and T2.

Price: 5,90€ single ticket.

[More info](#)

- **Taxi:** There are Taxi stops in front of terminals 1 and 2. The price of a taxi ride to the city centre is around 25-30€, subject to the time of the day, the time of the year and the destination.
