

We are looking for an outstanding candidate to incorporate to the VIRIEVAC research team base at the AIDS Research Institute Irsicaixa (<http://www.irsicaixa.es/ca>) through the Pla estratègic de recerca i innovació en salut (PERIS) 2106 of the Catalan Government.

The requirements of the candidates are:

- a) Completion of Phd studies
- b) Scientific publications as first or corresponding author
- c) International scientific training
- d) Good scientific communications skills

If you are interested, please send your CV to Dra Julia G. Prado at the e-mail: jgarciaprado@irsicaixa.es

The presentation to the call will depend of an institutional internal prioritization process of the candidates.
