

Job Vacancy : Fieldwork technician - iMAP Barcelona
Location : ISGlobal Campus Mar
Reports to : Mark Nieuwenhuijsen and Glòria Carrasco
Duration : Febrero 2020-Mayo 2020
Starting date : Febrero 2020

Description

The Barcelona Institute for Global Health (ISGlobal) is a cutting-edge institute addressing global public health challenges through research, translation into policy and education. ISGlobal has a broad portfolio in communicable and non-communicable diseases including environmental and climate determinants, and applies a multidisciplinary scientific approach ranging from the molecular to the population level. Research is organized in three main areas, Malaria and other Infectious Diseases, Child and Maternal Health, and Urban Health, Climate & Non-Communicable Diseases. ISGlobal is accredited with the Severo Ochoa distinction, a seal of excellence of the Spanish Science Ministry.

What We Are Looking for:

ISGlobal is looking for a person to fill the position of technician to work on a research project on cognitive impairment and urban environment in the adult population within the framework of the iMAP Barcelona study "The international Mind, Activities and urban Places in Barcelona study (iMAP Barcelona study): Building the evidence base on the relationships between environment, active living and cognitive health".

Venue:

Barcelona –Campus Mar (PRBB)

Purpose and Basic Functions:

Actively participate in the recruitment of volunteers for the iMAP study in the previously selected areas of the city of Barcelona. Recruitment will take place in strategic areas of these areas (i.e. civic centers, markets, CAPs, etc.).

Secondary tasks:

- Participation in the screening phase.
- Data entry.
- Validation and filtering of the data entered.

Training and experience:

Previous experience in recruitment, data collection and / or database treatment, as well as knowledge in environmental epidemiology will be assessed.

Skills:

We are looking for a person with high capacity for organization and teamwork, able to work autonomously, proactively and motivated, with good verbal and written communication. Schedule flexibility will be valued.

Languages:

Catalan and Spanish. Knowledge of English will be highly valued.

Conditions:

Duration: 4 months.

Contract: Part-time (20h / week). Possibility of extension.

Start date: February 2020.

How to apply:

Applicants must fill in the [request form](#) and attach the cv and a cover letter, including the following reference: **Fieldwork_iMAP_Feb20**. The receipt of applications will be open until **February, 8th 2020**.

Applications will be accepted until 17.00 CET of the closing date.

Only shortlisted candidates will be contacted.

In ISGlobal we are committed to maintaining and developing a work environment in which the values and principles of our organization are respected and equal opportunities between women and men be promoted in each of the areas in which we operate, not tolerating discrimination based on criteria such as age, sex, marital status, race, ethnicity, disabilities, political leanings, religion or sexual orientation.
