

Job Vacancy : Fieldworker BCN Microbiome MAP

Location : Barcelona

Reports to : Payam Dadvand

Duration : 3-4 months, full time

Starting date : 1st March 2020

Description:

The Barcelona Institute for Global Health, ISGlobal, is the fruit of an innovative alliance between academic, government, and philanthropic institutions to contribute to the efforts undertaken by the international community to address the challenges in global health.

What We Are Looking for:

ISGlobal is looking for a technician to join our young, dynamic team in child-health and air pollution and urban environment research. The technician will be focused on the environmental exposure assessment fieldwork in BCN Microbiome MAP project that has received funding from the Pla Barcelona Ciència 2019, Ajuntament de Barcelona (19S01403-006)

Main duties and tasks:

The candidate will coordinate the fieldwork, which consists in visiting sampling spots and deploying devices to sample microbiota. These tasks are done by 4-5 fieldworkers, and the candidate will supervise and coordinate them.

Secondary tasks: The candidate will need to coordinate the fieldwork to characterize the environmental factors such as air pollution, noise, and heat. The candidate will also take care of the questionnaires, forms, material and devices needed for the fieldwork.

Training and experience:

- Graduate degree in health or environmental sciences
- Experience in carrying out fieldwork in epidemiological studies. Experience in exposure assessment will be positively valued.

Skills:

- Strong organization and team-working skills
- Responsible, flexible and with problem solving skills
- Eager to learn and proactive, with great initiative
- Autonomous and able to self-manage with the participants

Languages: Catalan, Spanish and English written and spoken.

Conditions:

Duration: 3-4 months

Contract: Full time

Starting date: 1st March 2020

How to apply:

Applicants must fill in the [request form](#) and attach the CV and a cover letter, including the following reference: “**Fieldwork_MicroMAP_Jan20**”. Each document must include the candidate name and surname. The receipt of applications will be open until **February, 16th 2020**.

Applications will be accepted until 17.00 CET of the closing date.

Only shortlisted candidates will be contacted.

If you have any question, please, send us your query to job@isglobal.org.

In ISGlobal we are committed to maintaining and developing a work environment in which the values and principles of our organization are respected and equal opportunities between women and men be promoted in each of the areas in which we operate, not tolerating discrimination based on criteria such as age, sex, marital status, race, ethnicity, disabilities, political leanings, religion or sexual orientation.
