

Ref. Conv-FU-148/2019

1. POSITION OFFERED

1.1. A job is being opened to cover **1 Position of Project Manager** to support **FUNDACIÓ CLÍNIC PER A LA RECERCA BIOMÈDICA (FCRB)** at the research project "*TBMED: A testing bed for the development of high-risk medical devices*" Grant Agreement Number: 814439, funded by EUROPEAN COMMISSION, with temporary contract in the following professional category:

Required qualifications and skills:

- **Required Degree:** University degree in Health Sciences.
- **Experience:**
 - Clinical Trials Management experience.
 - Expertise in developing clinical research protocols and knowledge in research methodologies.
 - Ability to interact effectively with a wide range of professionals across a diversity of national and international organizations.
 - Ability to participate constructively and enthusiastically in meetings (on site and through teleconference) and decision making processes.
 - The following skills will be valued:
 - ✓ Medical Device clinical research experience.
 - ✓ Knowledge of the regulatory framework and approval process for medical devices on a national and EU level.
 - ✓ Multi-national clinical research experience.
 - ✓ Experience in European Projects (i.e. H2020/IMI).
- **Languages:** English. High-level oral and written English and communication skills (English will be the working language). The job interview will be performed part in English.

Job description / Tasks to be developed:

This is a unique opportunity for a motivated and experienced individual who wishes to further develop his/her career in medical device clinical research and his/her experience of multinational research projects. The Project Manager plays a pivotal role in the coordination of the clinical medical device investigations.

The main duties of the Project Manager will include the following:

- Provide technical and scientific support for the development and execution of clinical research investigation protocols.
- Advice on national and international regulatory and ethical clinical research requirements of medical devices.
- Perform clinical site mapping.
- Revision of partner's technical documentation, including the quality-by-design approach.
- Ensure that project activities are communicated efficiently to other stakeholders. Particularly the information should be timely distributed within the national partners ensuring they have the opportunity to contribute to relevant initiatives on time.
- Ensure that specific tasks of the project plan are initiated and completed successfully in line with agreed timelines, and contribute to the delivery of these projects.
- Support the ECRIN Spanish European Correspondent.
- Assist in periodic Training and Education sessions and initiatives (at FCRB, and ECRIN Central Office), and contribute to the development and delivery of training programmes, as appropriate.
- Organization of, and attendance in meetings on national and European level.

Presentation of applications:

All documents must include the reference code of the job offer (see upper left corner of the call)

- Candidates must enclose a motivation letter and their Curriculum Vitae (including your contact details).
- Proof of the merits exposed and the degree obtained must also be included in the application.
- The authorization request for personal data must be signed and attached -European Regulation (UE) 2016/679- (see page 3).

Place of submission: (clearly indicating the reference code of the job offer)

1. Delivering it personally to the Dept. of Human Resources, located on the Esther Koplowitz Centre, C/ Rosselló 149, from 10 am to 1 pm from Monday to Friday.
2. By e-mail to the e-mail address: rrhh.fundacio@clinic.cat

Application Deadline: 10/11/2019

1.2. The recruitment will be carried out according to the provisions of Article 15 of the Royal Legislative Decree 1/1995, of 24 March, which approves the text of the law of the Statute of workers, in accordance with the provisions of art. 2 of the Royal Decree 2720/98, of 18 December (BOE of 8 January 1999), law 12/2001, of 9 July (B.O.E. of 10 July) and concordant provisions.

The principle of equal treatment between men and women will be considered, according to article 14 of the Spanish Constitution, the Community Directive of 9 February 1976 and what is foreseen in the agreement of the Council of Ministers of 4 March 2005, which approves the plan for gender equality in the General Administration of the State.

The universal accessibility for disabled persons will be considered according to the second paragraph of Article 1 of the law of December 2 51/2003 of equality of opportunities; 5% of the vacancies are preserved when candidates' pass the selection process and disabilities are proved. Also, compatibility with the tasks associated to the job must be proved so that progressively we reach 2% of all workforces. "

1.3. Annual gross remuneration inherent to the job offer object of this call will be fixed on the basis of the experience provided and the skills of the candidates.

1.4. In accordance with Regulation (EU) 2016/679 of 27 April 2016 on the protection of natural persons with regard to the processing of personal data (hereinafter the "Regulation"), we hereby inform you that:

- The party responsible for processing your data is the *Fundació Clínic per a la Recerca Biomèdica* (hereinafter "FCRB"), with Corporate ID No. G59319681, and registered address in Barcelona, Carrer Rosselló 149-153. You may contact the Data Protection Manager by sending an email to protecciodades.recerca@clinic.cat or by writing to the Legal Director at Carrer Rosselló 149-153, Barcelona.
- When presenting your candidacy or sending us your CV, your data must be communicated with the aim and purpose of allowing employees at the entity to carry out management and selection processes.
- The information will be used by administrative and employee services in our entity, for their corresponding services, and may be submitted in full or in part to any authorities that, for legal reasons, require this type of information.
- The data provided will be held for a period of 1 year, and in addition once the relationship has been completed the data will be held for the period necessary to comply with legal provisions.
- The data provided may be transferred to a third country or international organisation, where necessary to justify the contract and/or salary of the employee providing the data.
- You have the right to access your data, request rectification of inaccurate data or request the removal of your data. Equally, you have the right to restrict the processing of your data, and you may oppose or withdraw consent for your data to be used in certain circumstances. You may exercise these rights by writing to the Legal Director at Carrer Rosselló 149-153, Barcelona, or by sending an email to protecciodades.recerca@clinic.cat. We also inform you of your right to file a complaint with the Catalan Data Protection Authority (*Autoritat Catalana de Protecció de Dades*) for any action taken by FCRB that you believe infringes your rights.

Barcelona a 21/10/2019
Marta Fernandez Cufi
