

JOB OPENING AT IRB BARCELONA

GROUP LEADER (ref. GL/16/01)

IRB Barcelona is a world-class research centre devoted to understanding fundamental questions about human health and disease. It was founded in October 2005 by the Government of Catalonia (Generalitat de Catalunya) and the University of Barcelona (UB), and is located at the Barcelona Science Park (Parc Científic de Barcelona).

The Institute's missions include conducting multidisciplinary research of excellence at the unique interface between biology, chemistry and medicine, providing high-level training in the biomedical sciences to staff, students and visitors, driving innovation through active technology transfer to the benefit of society, and actively participating in an open dialogue with the public through a series of engagement and education activities.

IRB Barcelona seeks

The Institute for Research in Biomedicine (IRB Barcelona) in Barcelona invites applications from outstanding investigators for one Group Leader position to develop cutting-edge multidisciplinary research in one of the five research programmes of the Institute. IRB Barcelona (www.irbbarcelona.org) is an independent, non-profit institute jointly set-up by the Government of Catalonia and the University of Barcelona and located at the Barcelona Science Park. IRB Barcelona performs multidisciplinary research of excellence at the interface between structural and computational biology, chemistry, and biology.
