

JOB OPPORTUNITY

IDIBELL is seeking for a Postdoctoral Fellow to incorporate within the Gynecological Cancer Unit.

IDIBELL is a research center that integrates the biomedical research of the Bellvitge University Hospital (HUB), the Catalan Institute of Oncology (ICO), and the University of Barcelona in the Bellvitge Campus (UB) and the Viladecans Hospital (HV), located in south Barcelona.

The research focuses of IDIBELL are cancer, neuroscience and translational medicine; research, innovation and society are the pivots on which researchers work every day in order to improve the quality of life of citizens.

IDIBELL is located in L'Hospitalet de Llobregat, south of Barcelona. It is a member of the Campus of International Excellence of the University of Barcelona HUBc and part of the CERCA institution of the Generalitat of Catalonia. In 2009, it became one of the first five Spanish research centers accredited as a health research institute by the Carlos III Institute of Health. More recently, the European Commission has recognized IDIBELL with the HRS4R logo (Excellence in Human Resources in Research), which identifies IDIBELL as a provider and supporter of a stimulating research work environment.

Main Duties

The candidate will use a set of *in vitro/in vivo* models to study: (1) the role of microRNAs during adipocyte differentiation and (2) the adipose tissue homeostasis using genetically-engineered mouse models. We also expect the candidate to engage the project semi-autonomously and to participate in other side-projects carried out in the laboratory.

Requirements

- Education: Bachelor + PhD
- Experience: we seek for a motivated individual with previous grounded experience in the molecular and cellular biology field
- Languages: Spanish/English
- Technical skills: strong background in molecular and cell biology techniques (e.g., PCR, western blot, cloning, mutagenesis, CRISPR-based gene editing, viral transduction) and animal experimentation
- Soft skills: aptitudes for team work, good communicative and social skills

We offer

- Contract: Temporary position (2 years)
- Workday: full-time
- Job location: IDIBELL-Hospital Duran i Reynals
- Professional Category: Postdoctoral Researcher

- Salary band: according to the professional category

Documents required

- Cover Letter
- Curriculum Vitae

Deadline for sending CVs will be next: 15/11/2018

Observations

Candidates must present documents through the website IDIBELL: <http://idibell.cat/ca/institut/uneix-te-a-idibell/ofertes-de-feina> o through the following email address: rrhh@idibell.cat indicating the name of the position.

Contact: Human Resources Department, IDIBELL. TFS: 93 260 7290; 93 260 7834.

**All job profiles must be reviewed and accepted by the HR Department in order to guarantee legal and labor compliance, and the principles of the European charter for Researchers and the Code of Conduct for the Recruitment Researchers.*

IDIBELL obtained the seal of Excellence in HR in 2015

This seal represents IDIBELL's commitment to the implementation of HR policies, which oversee the attracting and development of talent in an open, transparent manner, based on personal merit, aligned with the principles of the European charter for Researchers and the Code of Conduct for the Recruitment Researchers.
