

# Laboratory Technician

## **DESCRIPTION: Laboratory Technician**

The Vall d'Hebron Institute of Oncology's (VHIO) Mouse Models of Cancer Therapies Laboratory, headed by Dr. Laura Soucek, is currently recruiting a Laboratory Technician.

The successful candidate will be part of the scientific team and will be in charge of a variety of laboratory-based tasks under the supervision of other research team members.

## **REQUIREMENTS**

A motivated team-oriented individual with previous experience in a biomedical research laboratory and skilled in cell culture, molecular biology and biochemistry laboratory techniques.

## **APPLICATION**

Candidates should submit a curriculum vitae and letter of intent addressed to Dr. Laura Soucek via email to: [rrhh@vhio.net](mailto:rrhh@vhio.net) .

Review of applications will commence immediately.
