

Do you want to work with us?

We are looking to expand our team in the short term. We are looking for enthusiastic people, graduated in life sciences and with an entrepreneurial spirit who want to be part of our team.

We offer to be part of a stable company, with a very good work environment and managing exciting projects.

About GENESIS Biomed

GENESIS Biomed is a start-up formed by entrepreneurs and with vocation of service to entrepreneurs and research centers.

In GENESIS Biomed we offer consulting services, we invest in projects in seed stage and we develop own R+D projects.

Our sectors are biopharmaceutical, biotechnological, medical devices, in vitro diagnostic, nutraceutical and cosmetic.

We are born in May 2017 and we are located in the Barcelona Science Park.
