DESCRIPTION

Do you want to work with high-quality laboratory products? Are you motivated by goals and always want to improve your performance? Do you want to form part of a multinational team while working from a modern and bright office location by the seaside in sunny Barcelona?

Then we have the perfect opportunity for you! At Teleperformance, we are currently looking for a **Laboratory Equipment Sales Representative** with a native level of **Dutch** to join our team in Barcelona. You would be working on behalf of our client, a world-renowned leader in the field of life sciences known for their high quality research products. Their wide product range offers solutions for different types of laboratories.

In this exciting role, you would be in close contact with laboratories with the aim of increasing business activities in the selected market area and being responsible for the whole sales cycle.

Main responsibilities

- Detect and establish new business possibilities in selected market area
- Retain and grow the existing base of customers
- Assure client satisfaction by excellent customer care in every contact throughout the sales cycle
- Proactively detect possibilities of cross-selling and up-selling
- Offer support and attend inbound calls for the on-site team when necessary

REQUIREMENTS

- Native level of Dutch and fluency in English
- Previous sales experience in managing own sales funnels and being in close contact with clients
- Passion for innovative technical products and scientific research
- Team player with a great attitude and excellent set of social and communication skills
- Proficiency with Microsoft Office package, especially Excel
- Degree in Biology, Biochemistry, Chemistry, Biotechnology, Bio-medicine, or similar field
- Previous experience with laboratory research techniques is highly desirable
