

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**. This recognition proves that VHIR endorses the general principles of the **European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (Charter & Code)**.

Thus, there are no restrictions of gender, national origin, race, religion, sexual orientation or age and **candidates with disabilities are strongly encouraged to apply.**

Business Development Project Manager

Innovation Unit

VHIR offers a vacant position for a Business Development Project Manager in order to foster and consolidate new potential collaborations, which may generate new business opportunities such as new collaborative research and/or innovation projects, contract research services or innovative strategic collaborations, beyond others.

We are currently looking for a person to give support in the preparation and follow-up of the promotion activities.
