

## JOB OPENING AT IRB BARCELONA

### ‘POSTDOCTORAL POSITION IN EPIGENETICS’ (ref. PD/16/04)

IRB Barcelona is a world-class research centre devoted to understanding fundamental questions about human health and disease. It was founded in October 2005 by the Government of Catalonia (Generalitat de Catalunya) and the University of Barcelona (UB), and is located at the Barcelona Science Park (Parc Científic de Barcelona).

The Institute’s missions include conducting multidisciplinary research of excellence at the unique interface between biology, chemistry and medicine, providing high-level training in the biomedical sciences to staff, students and visitors, driving innovation through active technology transfer to the benefit of society, and actively participating in an open dialogue with the public through a series of engagement and education activities.

#### **IRB Barcelona seeks**

A postdoctoral position is open at the "Chromatin Structure and Function" group. The position is available from January 2017. Research is focused on the study of the epigenetic mechanisms that regulate chromatin functions, using *Drosophila* as model system.

#### DUTIES

- Perform research on the projects carried out in the group (details to be discussed with appointable candidate)
- Master and PhD students’ management.

#### EXPERIENCE, KNOWLEDGE, SKILLS & SELECTION CRITERIA

##### **Must Have - Required**

---

- Knowledge: The successful applicant must have a Ph.D. in any discipline of the Life Sciences.

##### **Desirable**

---

- Experience: Molecular and Cellular Biology techniques. Epigenetics techniques (ChIP, etc) and protein purification. *Drosophila* Genetics.
- Skills: Candidates need to be highly motivated, enthusiastic about science, with an ability to think creatively and work independently.

#### WORKING CONDITIONS & ENTITLEMENTS

IRB BARCELONA endorses the Requirements and Principles of the *European Charter for Researchers*, the *Code of Conduct for the Recruitment of Researchers* and Open, Transparent, Merit-based recruitment promoted by the European Commission and follows Equal Opportunities policies.

On 9th December, 2014, IRB Barcelona was awarded the "HR Excellence in Research" logo. This recognition reflects the commitment of the Institute to continuously improving its human resources policies in line with the *Charter & Code*. The Institute works to ensure fair and transparent recruitment and appraisal procedures.

- **Working conditions:** Employed in compliance with Spanish legislation and regulations under a full-time contract. Employees receive the benefits of the Spanish Social Security system covering sickness, maternity/paternity leaves and injuries at work.
- **Training and Career:** Postdoctoral researchers joining IRB Barcelona gain access to the Institute's advanced research training and career development opportunities, all within in a competitive international environment. Courses and workshops on themes of particular interest to postdocs are offered regularly by the Institute.
- **International environment:** Nearly 100 Postdoctoral researchers, most than a half of them are non-Spanish nationals, are currently working toward their research at IRB Barcelona.
