

Project Manager ***Ref. PM01/2019***

The Center of Regenerative Medicine in Barcelona (CMR[B]) is offering a Project Manager position to join the Projects Office Unit.

Reporting to the Head of Projects Office, the Project Manager proactively assists the CMR[B] community in securing competitive funds for research and other activities related to the institute's strategic goals, following CMR[B] internal policies and terms and conditions of the funding bodies.

Requirements:

- Qualifications: University degree in Life Sciences.
- Full command of Spanish and English. Catalan is a plus.
- Competencies: Good communication, project planning, analytical and critical thinking, information seeking and management, teamwork, initiative and organization.

We offer:

- Full time position
- Duration: 1 year, with possibility of extension.
- Highly dynamic and stimulating working environment.
- Salary will be determined upon experience.
- Estimated start date: immediate.

Interested candidates should submit a cover letter and a full Curriculum Vitae to hrr@cmrb.eu, citing Reference PM01/2019 in the subject.

Application closing date: March 31st, 2019

Observations:

- The CMR[B] is committed to the principles of the Code of Conduct for the Recruitment of Researchers of the European Commission. Thus, there are no restrictions of citizenship or gender and candidates with disabilities are strongly encouraged to apply.

Please note: In accordance with the LOPD 3/2018, we inform you that your data will be stored in an internal database of the centre in order to carry out the usual processes of human resource management. In accordance with the Act you have the right to access, modify, cancel or oppose to the use we give to them. In this case you have to contact the Administration/HHRR of the CMRB in Barcelona.
