

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**. This recognition proves that VHIR endorses the general principles of the **European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (Charter & Code)**.

Thus, there are no restrictions of gender, national origin, race, religion, sexual orientation or age and **candidates with disabilities are strongly encouraged to apply.**

Project Manager (National Grants) Research Grants Office

VHIR's Research Grants Office provides support to researchers throughout the lifecycle of competitive research projects to contribute to the leadership of HUVH and VHIR in biomedical research.

We encourage and support our researchers in the pursuit of competitive funding for research detecting opportunities and contributing to the development of quality proposals. Once the desired funding is achieved, we provide guidance on regulations compliance and manage granted projects for the best research outcomes.

We are currently looking for a person to join the National post-award team within the Research Grants Office.
