

# Advanced Therapies Research, Development and Collaboration

March 18 2019, 15:00

Aula Magna - Faculty of Medicine and Health Sciences (UB)

Casanova 143, Barcelona

Please register [HERE](#)

This masterclass event will offer the opportunity for you to hear Advanced Therapies experts cover crucial aspects necessary to go from research to clinical application and product development. Top experts from Spain and the UK will share their experience and we welcome an interactive session with lots of networking time in order to have the opportunity to meet the experts.
