

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**. This recognition proves that VHIR endorses the general principles of **the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (Charter & Code)**.

Thus, there are no restrictions of gender, national origin, race, religion, sexual orientation or age and **candidates with disabilities are strongly encouraged to apply.**

FP2 Technician

Medical Molecular Imaging Research Group

VHIR offers vacant position for a **FP2 technician** within the **Medical Molecular Imaging Group**.

More information can be found [here](#).

JOB DESCRIPTION

Education and qualifications:

Required:

- FP2 degree.

Preferred:

- Higher FP2 degree.
- Title of Animal Handler, FELASA or similar.
- Title of Radioactive facility operator or supervisor.
- Intermediate or higher level of English.
- Publications.
- Courses.

Experience and knowledge:

- Working with murine models.
- Expertise with molecular biology techniques (RT-PCR, WB, immunohistology...).
- Handling and separation of peripheral blood cells.
- Optical and confocal microscopy.
- Flow cytometry.
- UV-Vis and fluorescent microscopy.

Main responsibilities and duties:

- Sample collection.
- Place orders.
- Animal care.
- Preclinical studies.
- Molecular biology analysis.
- Separation and purification of peripheral blood cells.
- Preparation of treatments.
- Keep the laboratory organized.

Labour conditions:

- Part time position.
- Gross annual salary: 18,000€.
- Contract length: until the end of the project.

HOW TO APPLY

Applicants should submit a full Curriculum Vitae and a cover letter with the reference 'Medical Molecular Imaging' to the following email addresses: raul.herance@vhir.org and seleccio@vhir.org before 6 February 2017.
