

Title: Nurse for COVID-estrés project AXA

Location : Barcelona – Campus Mar

Description:

The Barcelona Institute for Global Health (ISGlobal) is a cutting-edge institute addressing global public health challenges through research, translation into policy and education. ISGlobal has a broad portfolio in communicable and non-communicable diseases including environmental and climate determinants, and applies a multidisciplinary scientific approach ranging from the molecular to the population level. Research is organized in three main areas, Malaria and other Infectious Diseases, Child and Maternal Health, and Urban Health, Climate & Non-Communicable Diseases. ISGlobal is accredited with the Severo Ochoa distinction, a seal of excellence of the Spanish Science Ministry.

What We Are Looking for:

ISGlobal is looking for a nurse to join our young, dynamic teams in child-health and air pollution and urban environment research. The work is in the framework of the international MOOD-COVID (*Pre- and post-natal Maternal mental health and newborn neurodevelopment during the COVID-19 pandemic*) Project. This project has received funding from the AXA Research Fund.
