

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission in **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

**VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, nationality, religion, age, disability or race.**

## Support Technician (Post-Award National Grants)

### National Projects Unit – Competitive Projects Directorate

VHIR's Competitive Projects Directorate provides support to researchers throughout the lifecycle of competitive research projects to contribute to the leadership of HUVH and VHIR in biomedical research. We encourage and support our researchers in the pursuit of competitive funding for research detecting opportunities and contributing to the development of quality proposals. Once the desired funding is achieved, we provide guidance on regulations compliance and manage granted projects for the best research outcomes. We are currently looking for a person to join the International post-award team.

#### JOB DESCRIPTION

##### Education and qualifications:

- University degree in Economics or similar.
- Education in Health Science will be valued.
- Excellent written and oral communication in Catalan and Spanish.

##### Experience and knowledge:

- Minimum +1 years of work experience in a similar position (ISCIII, MINECO, PERIS, LMTV3 calls).
- Additional training in competitive research projects.
- Experience in the research sector is highly valued.
- Experience in financial management.
- Superior attention to detail and analytical skills.
- Excellent written and oral communication in Catalan and Spanish.
- Ability to have critical thinking skills and problem-solving skills.
