

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

**VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, religion, age, disability or race.**

## Portfolio Manager (Spin-Off) Innovation Unit

VHIR offers a position as a Spin-off Portfolio Manager to join the Innovation team and give support in the incubation and acceleration of VHIR's company portfolio and help these companies grow and develop to their full potential. The Innovation unit mission is to transform excellence in research and clinical care into new products, services and processes that improve the patient experience and population health and reduce the cost per capita of providing healthcare services.
