

The Vall d'Hebron Research Institute (VHIR) is a public sector institution that promotes and develops the research, innovation and biosanitary teaching of the Vall d'Hebron University Hospital. Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

HR EXCELLENCE IN RESEARCH

In April 2015, the **Vall d'Hebron Research Institute (VHIR)** obtained the recognition of the European Commission **HR Excellence**.

This recognition proves that VHIR endorses the general principles of the European Charter for Researchers and a Code of Conduct for the Recruitment of Researchers (**Charter & Code**).

VHIR embraces Equality and Diversity. As reflected in our values we work toward ensuring inclusion and equal opportunity in recruitment, hiring, training, and management for all staff within the organization, regardless of gender, civil status, family status, sexual orientation, gender identity and expression, religion, age, functional diversity or ethnicity.

International Grants Manager (Post-Award)

International Project Unit – Research Grants Office – Competitive Project Directorate

International Project Unit (Research Grants Office) at VHIR is the responsible for managing all international competitive projects at VHIR and at Hospital Universitari Vall Hebron (HUVH). It provides support to researchers throughout the lifecycle of competitive research projects to contribute to the leadership of VHIR and HUVH in biomedical research.

We encourage and support our researchers in the pursuit of competitive funding for research, detecting opportunities and contributing to the development of quality proposals (Pre-Award office). Once the desired funding is achieved, we provide support in managing granted funds to comply with internal policies and funding bodies' regulations (Post-Award office).

We are currently looking for an enthusiastic candidate to join as an **International Grants Manager (Post-Award)** to strengthen the Post-Award team.

JOB DESCRIPTION

Education and qualifications:

Required:

- University degree (valuable in Finance or Economics-related disciplines).
- Fluency in English (business level).

Desired:

- Specific training in financial management of international competitive projects will be highly valuable.
- Knowledge of Spanish, Catalan and other European languages.

Through the excellence of our research, we identify and apply new solutions to the health problems of society and we contribute to spread them around the world.

- Serve as liaison between researchers, funding agencies and coordinators of collaborative projects. Provide support in consortium meetings organisation and other related project activities.
- Any other duties related to the job as requested to contribute to the general functioning of the International Project Office.

Labour conditions:

- Full-time position: 40h/week.
- Starting date: immediate.
- Gross annual salary: Remuneration will depend on experience and skills. Salary ranges are consistent with our Collective Agreement pay scale.
- Contract: Permanent.

What can we offer?

- Incorporation to Vall d'Hebron Research Institute (VHIR), a public sector institution that promotes and develops the biomedical research, innovation and teaching at Vall d'Hebron University Hospital (HUVH), the biggest hospital of Barcelona and the largest of Catalan Institute of Health (ICS).
- A scientific environment of excellence, highly dynamic, where high-end biomedical projects are continuously developed.
- Continuous learning and a wide range of responsibilities within a stimulating work environment.
- Individual training opportunities.
- Flexible working hours.
- 23 days of holidays + 9 personal days.
- Flexible Remuneration Program (including dining checks, health insurance, transportation and more)
- Corporate Benefits: platform through which you can obtain significant discounts on travel, culture, technology, gastronomy, sports... among many others.
